DATA CUTOFF & NOTES

- Latest individual receipt proof in workspace: June 7, 2026 (from 001_fe56.eml).
- Bulk trip data (trips_data csv inside Uber_Data_Request zip) ends 2026-04-27.
- Curated log (FINAL xlsx) ends mid-May 2026.
- No newer emails, zips, or exports were uploaded as of June 29, 2026.
- To extend beyond June 7, export additional trips/receipts from the open Uber app or Gmail/Outlook and upload the files.

This update was produced by systematically parsing every .pdf, .html, and .eml receipt file in the workspace (the content of the Uber emails and downloaded receipts).
